KANSAS CITY, Mo. (March 19, 2015) – Cameron Garrison has received the 2015 *Client Choice*™ Award for Intellectual Property – Copyright in Missouri. Garrison is a partner in Lathrop Gage's Kansas City office.

Garrison's clients recognized his ability to understand their business objectives as well as his exceptional communication skills, value for money and success rate as key qualities that led to his award.

Garrison has significant experience first-chairing high-stakes patent, trademark, false advertising, copyright and trade secret litigation, and advises clients on all aspects of their intellectual property portfolios. Garrison covers numerous industries, including consumer products, manufacturing, digital content distribution and life sciences.

Established in 2005, *Client Choice*™ recognizes law firms and partners around the world that stand apart for providing excellent client service. The honorees are considered to add real value to clients' business above and beyond the other attorneys and law firms in the industry.

This recognition is unique in that corporate counsel are the only individuals who can nominate attorneys. Corporate counsel are then asked to rate attorneys in a number of areas including quality of legal advice, value for money, commercial awareness, effective communication, billing transparency, tailored fee structures, response time, sharing of expertise and use of technology.
