

Franchise Times Quotes Nancy Sher Cohen and Kim Winter Regarding Business Interruption Win for Restaurants

October 28, 2020

Insurance Recovery & Counseling Practice Group Partners Nancy Sher Cohen and Kim Winter were quoted in the Franchise Times article, "In a First, NC Restaurants Win in COVID Business Interruption Case." A North Carolina judge is the first to side with a policyholder in a lawsuit against an insurer denying COVID-19-related business interruption coverage. Kim called it "definitely a shot in the arm, after a string of pro-insurance opinions." Nancy encouraged policyholders receiving denial letters, "Do not give up ... There are many arguments that can be made."
