

The American Lawyer Quotes Susan Gaertner on White-Collar Law Under President-Elect Biden

November 12, 2020

Investigations & White-Collar Defense Partner Susan Gaertner was quoted in *The American Lawyer* article, "White-Collar Groups Expect 'A New Day' Under Biden Administration." Describing the expectation by white-collar defense lawyers for an uptick in enforcement work under President-elect Biden, the article shares anticipations of a more active regulatory environment. Susan notes that she expects the new administration to more vigorously prosecute environmental and criminal healthcare violations, stating: "Our expectation is, it's a new day."
