

Food industry Executive Features Article by Mara Cohara, Ally Cunningham and Matt Walker

May 24, 2021

Attorneys Mara Cohara, Ally Cunningham and Matt Walker authored the article "Food Packaging Emerges as PFAS Battleground" featured in *Food Industry Executive*. In the article, they discuss the move some restaurants are making to phase out per- and polyfluoroalkyl substances (PFAS) from consumer packaging, increased federal and state scrutiny of PFAS and what food supply companies can do.
