

## Law360 Quotes Partner Ally Cunningham In Summary of Biggest Environmental Cases To Watch In 2023

January 2, 2023

*Law360*

Lathrop GPM Environmental & Toxic Tort Partner Ally Cunningham was recently interviewed by *Law360* in a summary of the biggest environmental cases to watch in 2023. Litigation over the impacts of 'forever chemicals' per- and polyfluoroalkyl substances, or PFAS, continues to evolve. Ally calls the current PFAS litigation "the tip of the iceberg."
