

2015 MSBA Business Law Institute

April 22, 2015

Speaking Engagement

As the MSBA Business Law Section's annual signature event, the "Advanced Business Law Institute" features insight into the current Maryland business environment from the Maryland Secretary of Economic and Business Development, as well as the Deputy Maryland Attorney General. Break-out sessions will further explore recent state economic topics such as Maryland's Wage Lien law, issues in structuring private equity, business succession planning, and franchising.

Join us as Gray Plant Mooty's own Maisa Jean Frank guides attendees through these franchising best practices, including sell and registration.
