

Bloomberg Wealth Quotes Marya Robben on Estate Planning Amid Election Season

November 5, 2020

Trusts, Estates & Legacy Planning Partner Marya Robben was quoted in the *Bloomberg Wealth* article, "Richest Americans Win With a Divided Government." The article asserts that assuming the election results in a balance of power, it would stave off substantial tax changes for the nation's wealthiest. According to Marya, divided government may end up continuing a "perfect time" for rich Americans to pass on wealth to heirs tax-free.
