

Business Insurance Quotes Alex Brown on Idaho Wrongful Conviction Case

August 3, 2021

Insurance Recovery Partner Alex Brown was quoted in an Aug. 3 Business Insurance article, "Idaho risk pool must defend city, officers in wrongful conviction case." In the article, Alex states that the ruling joins other decisions that make coverage available "from the initial arrest through the eventual exoneration - thereby helping future exonerees and insured civil rights defendants vindicate their respective rights." Lathrop GPM's civil rights insurance recovery team has recovered more than \$217 million to date for wrongfully convicted individuals.
