

62 Lathrop Gage Attorneys Recognized by Super Lawyers Magazine

October 13, 2010

KANSAS CITY, Mo. (October 13, 2010) - Fifty-one attorneys from Lathrop Gage LLP have been recognized as Missouri & Kansas Super Lawyers for 2010, and an additional 11 were named "Rising Stars," *Super Lawyers* magazine announced today.

Super Lawyers, a Thomson Reuters organization, performs the annual polling, research and selection in a process designed to identify lawyers who have attained a high degree of peer recognition and professional achievement. Only 5 percent of the lawyers in a given state or region are named Super Lawyers; 2.5 percent qualify as Rising Stars.

Super Lawyers are nominated by their peers, active lawyers in the state or region who have practiced for five years or longer. These nominations are supported by interviews, independent research, data verification and good-standing review. More information is available at www.superlawyers.com.
