

BTI Recognizes Lathrop Gage for Outstanding Client Service

December 13, 2019

Kansas City, MO (December, 2019) - Lathrop Gage is once again named among BTI's Client Service A-Team for 2020, a list exclusively ranking the 650 core law firms that serve large and Fortune 1000 clients. Placement among the A-Team is based solely on direct, unprompted feedback from corporate counsel identifying the firms delivering superior client service.

Lathrop Gage's placement on the A-team list ranks the firm higher than almost half the market in providing exceptional client service.

Also on the list, Gray Plant Mooty, the national Minneapolis-based firm combining with Lathrop Gage to form Lathrop GPM, effective Jan. 1, 2020. Both firms hold fast to a culture dedicated to prioritizing outstanding client service.

BTI's A-Team ranking report is objective and data-driven based solely on in-depth telephone interviews with leading legal decision makers and research conducted with more than 20,000 buyers of professional services, isolating 17 activities considered essential to delivering superior client service and driving the best professional relationships.
