October 15, 2012

KANSAS CITY, Mo. (October 15, 2012) - *Super Lawyers* magazine announced today that 58 attorneys from Lathrop Gage LLP have been recognized as Missouri & Kansas Super Lawyers for 2012, and an additional 17 were named "Rising Stars."

Super Lawyers, a Thomson Reuters organization, performs the annual polling, research and selection in a process designed to identify lawyers who have attained a high degree of peer recognition and professional achievement. Only 5 percent of the lawyers in a given state or region are named Super Lawyers; 2.5 percent qualify as Rising Stars.

Super Lawyers are nominated by their peers, active lawyers in the state or region who have practiced for five years or longer. These nominations are supported by interviews, independent research, data verification and good-standing review. More information is available at www.superlawyers.com.
